

**Chattahoochee Marching Band
Financial Assistance**

It is our goal to have every student who is interested in the band program be able to take part without the obstacle of finances. **As such we have a financial assistance program to assist families in fundraising the fees associated with our band program.**

As the band program is largely supported by funds raised by the families, and not by county or school financial support, the executive board has worked hard over the years to establish and maintain several ways for families to raise the necessary funds required to sustain the band program.

Money may be raised in one or more of the following ways:

1. Students or family members can work the concession stand at Chattahoochee High School sporting events.
2. Students or family members can work at Verizon concerts.
3. Scrip fundraising <https://www.shopwithscrip.com/>

Financial assistance begins with priority status for any CHSMA/Chattahoochee Concession Stand and or Verizon Fundraising activities. After this has been initiated and the student and/or someone on behalf of the student such as a parent has begun working shifts at one or both of these activities they may open a discussion for additional financial assistance through this application.

Please note the Chattahoochee High School Band Executive Board is solely responsible for approving any financial assistance. **No funds will be awarded without the completion of this form and without the approval of the board.**
